

ENVIRONMENTAL POLICY STATEMENT**PJE/HSSQ/POL/001/PS3**

This Policy applies to all operations undertaken by P. J. Edwards & Co (UK) Ltd. The company's activities include the design, installation and testing of specialist piling and geotechnical engineering works.

We recognize that all our activities interact with the environment and we are committed to minimizing adverse impacts and improving process efficiency.

In particular, this will be achieved through our commitment to: Comply with all applicable environmental legal requirements and other relevant requirements to which we subscribe. Review the actual and potential environmental impacts of all activities, including those affecting our local community.

We strive for continual improvement in environmental performance through setting objectives and targets and developing key performance indicators.

We employ best practice to prevent pollution, minimize waste and maximize the efficient use of resources i.e. materials, fuels and energy. Identify and manage key risks and have arrangements in place to respond to all foreseeable incidents and emergencies. Involve employees and contractors in our environmental programmes and provide training to enable them to discharge their responsibilities

We engage in dialogue with suppliers and distributors to encourage their participation in environmental best practice.

We commit to reducing oil and fuel spills as is practicable by maintaining plant and machinery; reducing concrete spills, by clearing blockages, maintaining hoses, and fixing Lanyards/whip-checks to all joints.

Every employee has an individual responsibility to help meet the requirements of this policy. All are invited to contribute ideas for better practices, for example through Toolbox Talks, or with the SHEQ Manager or Plant Manager, or directly to the Operations Director.

The Policy Statement will be brought to the attention of all employees and subcontractors and will be reviewed at least annually and when there are significant changes in legislation, working practices or company arrangements.

Signed:

Adrian Norridge
Operations Director (UK)
